The Association for Research on Mothering (ARM)**

The Association for Research on Mothering (ARM) is the first feminist organization devoted specifically to the topics of mothering and motherhood. ARM is an association of scholars, writers, activists, policy makers, educators, parents, and artists. ARM is housed at Atkinson College, York University, Toronto, Ontario. Our mandate is to provide a forum for the discussion and dissemination of feminist, academic, and community grassroots research, theory, and praxis on mothering and motherhood. We are committed in both membership and research to the inclusion of all mothers: First Nations, immigrant and refugee mothers, working-class mothers, lesbian mothers, mothers with disabilities, mothers of colour, and mothers of other marginalized communities. We welcome memberships to ARM and submissions to the *Journal of the Association for Research on Mothering*, our biannual publication, from all individuals.

Membership and Subscription Information

Full individual memberships are available for \$65Cdn/US; institutional memberships are \$85Cdn/US for 2002. A full membership includes membership to the association, a members directory, a biannual newsletter, participation on a listserve, pre-registration for annual conferences, and a subscription to the biannual *Journal of the Association for Research on Mothering*, as well as regular information mailings with respect to upcoming events, lecture series, conferences, workshops, and fundraisers. Basic and student memberships are also available, as is a subscription solely to the journal. Please see the last page of this journal for detailed information and order forms.
