

on her Ph.D. Degree from the University of Alberta. Joanne's research interest is in Aboriginal women's health, with a particular focus on maternal-child nursing issues.

**Gina Wong-Wylie, Ph.D.**, is an Associate Professor in the Graduate Centre for Applied Psychology at Athabasca University in Alberta, Canada. She is a Registered Psychologist and devotes her counselling practice to focusing on pre and postnatal issues with women. Wong-Wylie's area of research interest also includes prenatal/perinatal psychology, issues related to mothering, and mental health and maternal wellness issues from feminist and cross-cultural perspectives.
