The Association for Research on Mothering (ARM)

The Association for Research on Mothering (ARM) is the first feminist organization devoted specifically to the topic of mothering-motherhood. ARM is an association of scholars, writers, activists, policy makers, educators, parents, and artists. ARM is housed at Atkinson College, York University, Toronto, Ontario. Our mandate is to provide a forum for the discussion and dissemination of feminist, academic and community, grassroots research, theory, and praxis on mothering-motherhood. We are committed, in both membership and research, to the inclusion of all mothers, First Nations, immigrant and refugee mothers, working-class mothers, lesbian mothers, mothers with disabilities, mothers of colours and mothers of other marginalized communities. We welcome memberships to ARM and submissions to the *Journal of the Association for Research on Mothering*, our biannual publication, from all individuals.
