The Association for Research on Mothering (A.R.M.)**

The Association for Research on Mothering (A.R.M.) is the first feminist organization devoted specifically to the topic of mothering-motherhood. A.R.M. is an association of scholars, writers, activists, policy makers, educators, parents, and artists. A.R.M. is housed at Atkinson College, York University, Toronto, Ontario. Our mandate is to provide a forum for the discussion and dissemination of feminist, academic and community, grassroots research, theory, and praxis on mothering-motherhood. We are committed, in both membership and research, to the inclusion of all mothers, First Nations, immigrant and refugee mothers, working-class mothers, lesbian mothers, mothers with disabilities, mothers of colours, and mothers of other marginalized communities. We welcome memberships to A.R.M. and submissions to the *Journal of the Association for Research on Mothering*, our biannual publication, from all individuals.
